

GUARDIANSHIP ACCOUNT

OVERVIEW GUIDE

01.

WHAT IS YOUR ROLE:

A Guardian is a court-appointed individual given the authority to make decisions for someone (the ward or beneficiary) who is unable to act independently. Guardianship is commonly used to care for minor children, but it can also apply to adults facing disabilities, incapacity, or similar circumstances.

A guardian's primary responsibility is to make decisions that are in the best interests of the ward and manage that person's assets.

02.

GETTING PREPARED:

- Letter of Guardianship.
- Court Order designating Guardian.
- Social Security Number and Date of Birth of the Beneficiary.
- Valid Identification for the Guardian.

Existing personal accounts cannot be converted into a Guardianship account; a new account must be established.

03.

LET'S GET STARTED:

Once you have collected the necessary documents mentioned above, let's begin the process of opening the Guardianship account.

Please visit one of our Engagement Centers, contact us by phone or use live video banking to schedule a virtual consultation with an Account Specialist and to submit any account opening documents you have collected, as this will help expedite the process.

Within a few business days, one of our Account Specialists will contact you to review your request, obtain any additional documents or information if necessary, and address any questions you may have about the account and/or the account opening process.

05.

YOUR ALL SET:

Once everything is finalized, we will provide you with the account number and send the necessary documents and disclosures electronically for you to sign (If in-person signing is required, we can arrange this upon request).
